DAY 1: The Heart of the Paine Massif: French Valley

Our second day at Torres del Paine National Park begins with a hearty breakfast, followed by a drive to Pudeto dock where we will board a catamaran to Pehoe. Once we reach our destination, we will embark on a challenging trek to the Valle Frances (French Valley). The trail is steep, leading us to the heart of the Paine Massif. The group's trekking rhythm will determine how far we will go. We can expect stunning views of the valley from the hanging bridge over the French River, located at the foot of the Massif's southeastern face. We will continue our trek towards the upper section of the valley, marveling at the extensive mass of the geological formations. Later, we'll stop for a picnic and enjoy the breathtaking views of the valley. The day's trek will end with a descent through a mixed grassland and light forest, leading us to Paine Grande campsite, situated on the serene shores of Lake Pehoe. Upon arrival, we'll receive a briefing on tomorrow's trek. * The excursion to French Valley varies throughout the season depending on the catamaran connecting Pudeto and Refugio Pehoe: From October 1st to 31st and from April 1st to 30th the navigation operates only once a day, therefore the hike will be limited and only reach Italian campsite depending on the passengers walking pace. From November 1th to March 30th the excursion operates on a regular basis. * If you wish to upgrade from camping to a refugio stay for this night, please enquire at time of booking to check availability. An additional cost applies and is subject to availability.

DAY 3: Grey Glacier Trek & Boat Ride

In the morning, we'll embark on a scenic hike from Paine Grande Refugio, following the picturesque shoreline of Lake Pehoe towards the northern side of the stunning Lake Grey. We'll pause for a picnic lunch before boarding a boat that sails directly to the face of Glacier Grey. While on the boat, you can sip on a refreshing drink with fresh glacier ice and marvel at the unreal views of this beautiful glacier. In case the boat trip is canceled due to unforeseen circumstances, we'll trek up to a sightseeing point to enjoy panoramic views of the glacier instead. After the boat ride, we'll transfer to EcoCamp. *Please be aware that boat trips may be canceled if the minimum number of 10 passengers has not been reached. If this is the case, we will trek up to the sightseeing point to enjoy panoramic views of the glacier instead. Then we will return on foot to Paine Grande and take a catamaran to the dock, where we will be picked up and driven to EcoCamp.

DAY 4: Torres del Paine

On the fifth day of our adventure, we'll embark on the most renowned trekking trail in Torres del Paine National Park. Although it's a challenging hike, the breathtaking views are definitely worth the effort! We'll set off from the campsite towards Hostería Las Torres and ascend to the eastern face of Ascencio Valley. Along the way, we'll pass by picturesque mountain ridges, beech forests, and small rivers. Our main challenge will be to conquer the steep moraine, a massive collection of boulders that will lead us to the iconic base-view of the Towers. These three towering granite monoliths are all that remains of a once-great cirque sheared away by glacial ice. As we ascend the moraine, the towers will slowly come into view, rising majestically before us with the glacial lake visible below. We'll stop for a well-deserved lunch in one of the world's most stunning settings before retracing our steps through Ascencio Valley and returning to EcoCamp for a sumptuous dinner and a glass of fine Chilean wine.
