SOUTH AMERICA - ECUADOR AMAZON EXTENSION | NAPO WILDLIFE CENTRE

DAY 1: Arrival

This morning you will be collected from your hotel and transferred to the airport where you will board a 30-minute flight over the Andes Mountains to Colca. After landing, you will be transferred from Colca Airport to Port Francisco de Orellana, where you will then embark on a comfortable motorboat. The approximately 2-hour ride along the Napo river will include a lunch box and offers unique scenic and wildlife opportunities such as herons and kingfishers. Upon disembarking the motorboat, you will take a short break and take a peaceful canoe ride to the lake where the Napo Wildlife Centre is located. The canoe ride is a perfect opportunity to spot curious local wildlife including monkeys various bird species including toucans, parrots or macaws. Late afternoon arrival at Napo Wildlife Centre where you will have a welcome drink and be introduced to the facilities. After dinner you may choose to take an optional caiman (alligator) observation around the lake. *Please note: This local flight has a luggage restriction of one 8kg cabin baggage and one 23kg checked baggage.

DAY 2: Macaw Clay Lick

Napo Wildlife Centre have a set of activities where you can choose from onsite, allowing you to create your own personalised experience deep in the Amazon. Below are suggested options you may like to choose from through-out your stay. Early this morning, depart the lodge and make your way to the visually spectacular parrot clay lick. Easily one of the best natural wildlife experiences in Ecuador, you will see an incredible 11 species of parrots, parakeets and macaws as they sing, dance and cling to ragged clay cliffs. Please note the clay lick is subject to weather conditions. Afterward, hike along the scenic forest trail to the Kichwa community of Anagu. Here you will share you time with local family and community members, taking an authentic dive into the experiences and shared stories of these Amazonian communities.

SOUTH AMERICA - ECUADOR AMAZON EXTENSION | NAPO WILDLIFE CENTRE

DAY 3: Canopy Tower and Amazon Trails

Napo Wildlife Centre have a set of activities where you can choose from onsite, allowing you to create your own personalised experience deep in the Amazon. Below are suggested options you may like to choose from through-out your stay. After breakfast, you will depart for the incredible experience of the canopy tower. Standing 36 metres high the canopy tower, the journey to the top will take you through different levels of the forest, allowing the chance to see unique wildlife before emerging on top of a large Ceiba tree. Flocks of colourful tanagers pass, as spider monkeys cling to trees and macaws fly below. In the afternoon you may take a hike to a terra firme trail, hiking along the forest floor to discover the deep forest interior. As you hike the trail, you have the possibility of spotting lizards, colourful manakins and the endemic Golden mantel tamarin monkeys. After the hike you may explore the lakes and creeks via dugout canoe, with the incredible possibility of running into a family of giant river otters.
